IMPORTANT: All precious metal scrap is physically altered during processing and only melted when necessary to determine the purity for your maximum value. We cannot return any stones that are included in scrap. Please check the appropriate boxes below to indicate: a) how you would like us to process your precious metal scrap, and b) how you would like non-precious materials handled.

- Yes, I accept the \$50 service fee for use of the Precious Metals Recycling Service. I understand that this fee will be deducted from my scrap refund total.
- I am a RioPro or Rio For Schools member.
- Yes, Rio has my permission to melt my precious metal scrap as needed. I understand returned precious metal scrap will not be in the same condition it was when sent to Rio.
- No, I prefer that Rio does not melt my precious metal scrap for processing. I understand all of my scrap will be returned to me at my expense if its purity cannot be determined without melting the metal.
- Please return non-precious metal material to me at my expense. I understand that stones cannot be returned to me.
